

VERMONT2007

Coalition for healthy activity, motivation, and prevention programs

Report to the Legislature on Act 215, Section 321
December 15, 2006

108 Cherry Street, PO Box 70
Burlington, VT 05402
802-951-1258
healthvermont.gov

The Vermont FY 2007 Appropriations Act includes a provision establishing the “CHAMPPS” (coalition for healthy activity, motivation, and prevention programs) initiative as the foundation for community wellness activities. This legislation requires that the Department of Health establish a program for awarding competitive, substantial multi-year grants for comprehensive community health and wellness projects.

Per this legislation, we are required to compile an inventory of all programs both within *and outside* the Department of Health that award grants directly to communities for the promotion of “**health, recreation, wellness or like efforts**; and address issues such as **nutrition and physical activity promotion for children, community recreation programs, elderly wellness, lead poisoning abatement, obesity prevention, maternal and child health, immunizations, mental health, substance abuse and tobacco prevention and cessation**”. This inventory must be submitted to the Senate Committee on Health and Welfare no later than December 15.

We requested in October, 2006, program inventory from the following Departments/Agencies:

Agency of Administration
Agency of Agriculture
Agency of Commerce and Community Development
Agency of Natural Resources
Agency of Transportation
Department of Health
Department of Children & Families
Department of Corrections
Department of Disabilities, Aging & Independent Living
Department of Education
Department of Public Safety
Office of Vermont Health Access

Program Inventory as required by Coordinated Healthy Activity, Motivation and Prevention Programs (CHAMPPS)
December 2006

Agency/ Department	Program Name	Source of Funds	Total Amount Awarded to Communities per year	Average Award Amount	Grant Period	Type(s) of Organization(s) Funded	Activities Funded	RFP or funding process descrip. submitted
